## WARRANTY CONDITIONS

1. The CLEONI company hereinafter referred to as the Manufacturer guarantees the User good quality and efficient operation lighting fixture provided the luminaire is installed, stored and used according to the instructions in the User Manual.
2. The warranty is granted for the period of 24 months from the date of sale of the device to the User. The warranty period is extended by the time of warranty repair.
3. When submitting the lighting fixture for warranty repair, the User is required to present a valid Warranty Card, without any signs of change or used intervention.
4. The warranty covers free repair or replacement with another undamaged lighting fixture.
5. The warranty does not cover external mechanical damages.
6. The warranty does not cover damage caused by events such as thunder strike, power line or telephone surge, mechanical surge, flooding or another uncontrolled phenomenon, independent of the manufacturer.
7. The warranty does not cover damage caused by installation and installation that do not comply with the Operating Instructions connecting the luminaire and using light source different and of higher power than recommended by Manufacturer's.
8. In order to make the warranty repair, the User is obligated to deliver the item to the point of sale where he made the purchase at his own expense. After repair, the item will be returned at the expense of the manufacturer to the point of sale where the purchase was made.
9. The warranty repair will be carried out within 14 working days, except the special cases when the defect is not permanent and longer diagnostics of the lighting fixture is necessary.
10. The User loses the right of guarantee in case of interference in the lighting fixture of third person for which Manufacturer has not given his written approval.
11. The User loses the right of guarantee in the situation when the room where the item is used does not meet the correct operational requirements described in the User Manual.
12. By providing the lighting fitting to the point of sale where the person made the purchase, the User devices are required to provide their own contact information and attach a brief description of the fault.
13. The guarantee does not give the User the right to claim the return of lost profits related to damage to the lighting fixture.
14. The Manufacturer's liability is limited to an amount equal to the price of the claimed product.
15. The terms of the guarantee does not affect the statutory right of the customer, in accordance with the current law applicable legal regulations or the customer's rights toward the Seller and the Manufacturer, which arise from the purchase contract.
16. The point of sale is responsible for the correct completion of the Warranty Card where the User has made a purchase.
17. Any disputed that may arise against the background of these warranty conditions will be considered matter- of-fact for the seat of the CLEONI company from Rożnowo.
